

Local Working Group Meeting, February 9<sup>th</sup>, 2021 – 1:30 to 3:30 pm

Pre-meeting Questionnaire

What natural resource issue, problem, or opportunity do you see in the Kodiak Archipelago that warrants more attention?

Why is this issue, problem, or opportunity important to you?

What ideas do you have for addressing this issue or opportunity, e.g. actions, resources, programs, partners, etc.?
